

CRITICAL DEFENSE TRAINING

The world is becoming more violent and unsafe, and we must take matters into our own hands by protecting ourselves and those we love. It doesn't matter if you are a man, woman or child, **you CAN prepare yourself to FIGHT and SURVIVE!**

HANDS ON DEFENSE COURSES

Key Topics Covered:

- Terrorism & Hate Crime Defense
- Home Invasion Defense
- Defense Around a Vehicle
- Counter Kidnapping Techniques
- Weapon Disarmament & Retention
- Escaping Techniques (from kidnapping and binding)

Offering monthly scheduled courses or private training for 4 or more, at our location.

IN HOME TRAINING

Private Training Scheduled in YOUR OWN Home

Practice all of the exercises in our hands on defense course, but in your own home - and at your pace. We will create a specialized plan for your family, in the event of a home invasion or kidnapping. There is ALWAYS something that you can do to fortify your home and your family.

OTHER TRAINING OPTIONS:

Training at your business
Mock Attack Teams (home and business)
Public Speaking & Seminars
