

SAFE HANDLING TACTICS WITH FIREARMS

SHTF 103: Home Invasion & Vehicle Defense

May 24, 2024

Criminals are becoming more daring and desperate. It doesn't matter if you are in your home or in your vehicle, they have no regard for the safety of you or your family. You CAN change the outcome. If you're aware, it may never occur in the first place.

Home Invasion & Vehicle Defense

**5 hours (8am-1pm)
Reg: \$185**

**\$157
(May 15% disc.)**

- Home invasion (scenarios & drills)
- Counter ambush
- Defense against sex attacks/assaults
- Counter carjacking
- Defense around a vehicle
- Defense inside a vehicle

Ultimately, criminals aren't only looking for the elderly to victimize, they are looking for those that have no situational awareness. Being oblivious and untrained, at this point in time, can be deadly. We at CRI have developed this special course to prepare you for these types of attacks.
