

SAFE HANDLING TACTICS WITH FIREARMS

SHTF 104: Active Shooter Defense

May 24, 2024

This course will provide you with skills you can use to survive an active shooter attack at work, school, and in other public spaces.

Active Shooter Defense

**5 hours (2pm-7pm)
Reg: \$185**

**\$157
(May 15% disc.)**

- Before/During/After an active shooter event
- Using improvised weapons against a shooter
- Defense in a building entrance
- Defense in a classroom/office
- Shooters around vehicles
- Multiple active shooters

No matter what your size or ability, you'll leave with the confidence to defend yourself in any of the situations above.

Active shooters aren't the average criminal, they are typically mentally unstable that are looking to commit mass murder. Ideally, they seek out soft targets that will put up little to no resistance. But, they will not be expecting YOU!
