COUNTER TERRORISM TRAINING

TRAINING IN YOUR HOME

Our highly experienced and insured instructors will train you and your family in the comfort of your own home. Training will be focused on:

- Home Invasion Defense
- Defense Around Vehicles
- Personal Safety

TRAINING AT YOUR BUSINESS

Our instructor team will come to your business to conduct training for you and your employees. Training will be focused on:

- Active Shooter and Workplace Violence Defense
- Workplace Safe Arrival & Departure
- Optional: Risk & Vulnerability Assessment (report issued)

CONSULTATION, RISK & VULNERABILITY ASSESSMENTS

We provide consultation in the fields of safety, security and countering terrorism.

- Private
- Corporate
- Government

MOCK ATTACK DRILLS

This training will be conducted in a 50/50 manner:

- Topics covered in **Training In Your Home** (listed above)
- Afterward, our team will perform mock attacks where you and your family will be tested by the instructors under realistic, but safe, attack scenarios such as home invasion, carjacking, armed robbery and others.

PUBLIC SPEAKING & SEMINARS

Our Owner, Founder & CEO, Mr. Doron Benbenisty, is an expert in countering terrorism. While in the IDF, he served as a Counter Terrorism Instructor as well as being part of the Mista'arvim Unit. He also created the first ever Counter Suicide Bomber and Car Bomb program, still used in Israel today. In addition, Doron created his own martial arts system called Krav Haganah, meaning 'Combat Defense'. He also created several online video programs and authored books on countering terrorism, drone flight and entrepreneurship.
