

WORKPLACE VIOLENCE DEFENSE

Are you concerned about acts of violence happening at your workplace?

Are you and your employees prepared?

Our CRI Ready system is a 360° solution that mitigates violence at your organization, by covering the following elements:

Workplace Violence Defense (hands-on training)
Access to our online training video program for active shooter defense
Risk and Vulnerability assessments for your organization (RVA)
Drills and RVA implementation

Schedule Private Training, Today!

Feel and be more protected, be able to better protect yourself and your co-workers against armed and unarmed attackers and other acts of violence.

We can also hold this course at YOUR location
